EVERYONE IS WELCOME!

All rehabilitation professionals, administrators, researchers, clinicians, consumers, family members, and caregivers. (You do not need to be employed by the government to attend this meeting)

The research from the US government & for the people of the world

4th Federal Interagency Conference on Traumatic Brain Injury

JUNE 11 – 13 2018
WASHINGTON DC

- CME / CEUs available in 13 disciplines
- Robust education offerings — hundreds of sessions & posters
- NETWORKING
- Leading researchers in the field
- Support from federal agencies
- The MUST-ATTEND rehabilitation research event for TBI
- SO SPECIAL, this event only happens once every 6 – 7 years

It takes 30 years for research to make it into practice, so why wait until 2048 to learn what this conference can teach you in June...

SPACE IS LIMITED REGISTER >>

InteragencyConferenceTBI.org
JOIN US in WASHINGTON DC for the 4th Federal Interagency Conference on TBI

We are honored and excited to invite you and every member of your rehabilitation team to experience the outstanding educational program of the 4th Federal Interagency Conference on TBI being held June 11 – 13, 2018 at the Washington Hilton.

The Interagency Meeting will have innovative programming and educational offerings giving you unparalleled access to research, clinical programming, advocacy, policy and consumer concerns. Meet the thought-leaders in TBI rehab who will be attending from all over the United States and around the world. This event is so unique it only happens after enough time has passed and after real advances have occurred in TBI research and clinical care that can impact service, practice and policy.

Please explore this extraordinary program matrix on the other side — now in this searchable format. Register early and reserve your room at the Hilton, and then join us in Washington, DC and be a part of the best Federal Interagency Conference yet.

See you in DC!
