Addiction Medicine
Board Exam
Study Course - Virtual

July 16 & 17, 2020
Live-Stream Schedule

ASAM has been awarded the highest level of Accreditation with Commendation by the Accreditation Council of Continuing Medical Education (ACCME).

The Essential Primer for Healthcare Professionals in Addiction Medicine
KEY HIGHLIGHTS

- Two days of live-stream sessions with eight additional on-demand sessions
- All live-stream sessions will be recorded and available on-demand 24/7 in the ASAM e-Learning Center
- Outstanding presentations by experts, authors, and leaders in addiction medicine
- Curriculum mapped to the ABPM Addiction Medicine Exam Blueprint
- Four fast-paced Board Exam study question sessions
- Complimentary electronic course syllabus
- The 2020 Board Exam Study Tool (BEST) – special rates for course registrants

LEARNING OBJECTIVES

Upon completion, participants should be able to:

- Demonstrate practical knowledge on the neurobiology of addiction and articulate its activity in terms useful in a clinical setting
- Describe the effects of alcohol, tobacco and other drugs in both tolerant and non-tolerant individuals
- Describe the process for diagnosing addiction and differentiating the symptoms of addiction from those of other medical or psychiatric disorders
- Explain the various pharmacologic and psychosocial treatments for addictive disorders and describe the factors that should be considered in selecting a treatment modality to match the needs of a specific patient
- Describe the precipitants of relapse and current evidence-based practices to prevent and manage relapse
