Welcome to the 2023 Annual Clinical Assembly of Osteopathic Surgeons (ACA)!

As president of the American College of Osteopathic Surgeons, the host organization for the 2023 Annual Clinical Assembly of Osteopathic Surgeons (ACA), I am pleased to extend greetings to all registrants and guests. Welcome to Chicago!

This year's in person ACA provides the perfect opportunity for you to participate in educational programs that will help you achieve surgical excellence in this changing environment of healthcare, opportunities to network with osteopathic surgeons, osteopathic resident surgeons, and interested osteopathic medical students from across the country, a chance to reconnect with old friends and colleagues, and experience one of our nation's most exciting cities.

Programming highlights include the following:

Thursday, September 21

- "Keynote Address: Glamorizing Medical Education", Sampson Davis, MD
- "Theodore F. Classen Memorial Lecture: Spirituality and Health: Clinical and Research Implications", Andrew Newberg, MD

Friday, September 22

- Keynote Address: "Health tech innovation and the evolving frontier of AI: How we can transform healthcare ethically and equitably", Indu Subaiya, MD, MBA, MFA

Saturday, September 23

- Keynote Address: Transition from Provider to Caregiver to Patient, Albert H. Olivencia-Yurvati, DO, FACOS, DFACOS

Further enhance your educational experience at the 2023 ACA by visiting the Assembly Sponsor displays of products and services for enhancing your surgical practice. Also take time to review this year's scientific poster displays, which reflect many hours of hard work by our fellow surgeons, residents, and medical students.

I encourage you to take advantage of everything the "Windy City" has to offer while you are here for the meeting. Shop along Chicago's Magnificent Mile, explore the city's architectural treasures through the Frank Lloyd Wright Preservation Trust and the Chicago Architecture Foundation, experience its renowned museums, performing arts, and enjoy its many great restaurants.

I am honored you have joined us for the 2023 ACA. I know that it will be an enjoyable and rewarding educational experience for you and our colleagues.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kristen J. Conrad-Schnetz'.

Kristen J. Conrad-Schnetz, DO, FACOS, FACS

President, American College of Osteopathic Surgeons

## EDUCATIONAL OBJECTIVES AND OUTCOMES

### Target Audience:

This activity is intended for surgeons of varying specialties who care for surgical patients.

### The ACA will:

- Offer a highly diversified program of continuing medical education for the specialties of cardiothoracic and vascular, general, neurological, plastic and reconstructive, proctological, urological surgery, bariatric surgery, and wound care
- Keep surgeons in these specialties, other interested physicians, and healthcare professionals informed regarding recent developments and advances in the art and science of surgery
- Provide a review of selected areas of the attendees' surgical specialties
- Discuss pre- and post-operative issues related to surgery
- Update surgical specialists regarding developments related to surgery in other fields of science, in socioeconomics, and in education

### The ACA learning methods used are:

- Panels and lectures
- Scientific paper presentations
- Peer-to-peer discussions
- Question and answer sessions
- Hands-on labs
- Scientific exhibits and poster presentations

### ACA Educational Objectives:

*After completing this activity, the participant should be better able to:*

- Discuss recent clinical developments in their surgical specialties
- Implement strategies into their surgical practice in order to improve patient care
- Review the indications, techniques, complications, and outcomes of various surgical procedures

## CME CREDITS AND REQUIREMENTS

By participating in 2023 ACA educational programs and activities, attendees are eligible to earn American Osteopathic Association (AOA) Category 1A continuing medical education (CME) credits or *AMA PRA Category 1 Credits™*.

In accordance with CME accreditation requirements, the attendee must complete an evaluation of each session attended as well as an overall event evaluation in order to receive CME credit. Physicians should only claim credit commensurate with the extent of their participation in each ACA educational program and/or activity. Instructions on how to access the online CME tracking and program evaluation system are distributed to registered attendees.

## AOA CME REQUIREMENTS

The American College of Osteopathic Surgeons (ACOS) is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education for physicians. Eligible attending physicians can earn American Osteopathic Association continuing medical education (CME) credit by participating in the educational programs and activities at the 2023 Annual Clinical Assembly.

In accordance with the AOA CME accreditation requirements, the attendee must complete an evaluation of each session attended as well as an overall event evaluation in order to receive AOA CME credit. Physicians should only claim credit commensurate with the extent of their participation in the educational activity. Information on how participants can claim their CME hours will be provided to eligible attendees. After the program evaluation has been completed, a CME certificate can be printed by the registrant. ACOS will report CME credits equal to the extent of the physician's participation in this activity to the AOA.

## QUESTIONS AND CONCERNS REGARDING CME

Any questions or concerns regarding the CME requirements, credits earned for this meeting, or problems such as facilities, handouts, and program content may be directed to the ACOS staff by calling (800) 888-1312. Unresolved issues regarding the compliance of this meeting with the AOA accreditation requirements may be brought to the attention of the AOA Division of CME by calling (312) 202-8000. Any formal action by the AOA will require a written communication from you.

## ACCME ACCREDITATION AND DESIGNATION STATEMENT

The American College of Osteopathic Surgeons (ACOS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACOS designates this other [live, enduring] activity for a maximum of 40 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## PLANNERS

ACOS planners, Kathleen Fitzgerald, CMP and Jannine Henderson have nothing to disclose.

## SPEAKER DISCLOSURE STATEMENT

In accordance with the AOA Standards of Accreditation; and ACCME Essential Criteria and, Policies, and Standards for Commercial Support; and AMA PRA Category 1 Guidelines, starting on page 71 the ACA has included all faculty disclosures available at the time of printing. Speakers that indicated having a relationship which in the context of their presentation, could be perceived by some as real or apparent conflict of interest (e.g., ownership of stock, speaker honoraria, consulting fees, etc.) have attested that they do not consider it will influence their presentation.

## DISCLOSURE OF UNLABELED USE

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

## DISCLAIMER

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

## DISCLOSURE OF CONFLICTS OF INTEREST

ACOS requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to ACOS policy. The existence or absence of COI for everyone in a position to control content will be disclosed to participants prior to the start of each activity.

## SPEAKER PRESENTATION DISCLAIMER

The opinions and ideas expressed by ACA speakers or found in any handout materials are those of the presenters and will not be endorsed or cannot claim to be endorsed by the American College of Osteopathic Surgeons, the American Osteopathic College of Proctology, Inc., or their disciplines and sections.

## CAPTURED MEDIA WAIVER

ACOS plans to take photographs/videos at the Annual Clinical Assembly of Osteopathic Surgeons conference and reproduce them in ACOS educational, news or promotional material, whether in print, electronic or other media, including the ACOS website. By participating in the ACOS Annual Clinical Assembly of Osteopathic Surgeons conference, you grant ACOS the right to use your name, photograph and biography for such purposes. All postings become the property of ACOS. Postings may be displayed, distributed or used by ACOS for any purpose.

## LIABILITY WAIVER AND ASSUMPTION OF RISK

Attendee understands that travel to and participation in the 2023 Annual Clinical Assembly (the "Meeting") co-sponsored by the American College of Osteopathic Surgeons and the American Osteopathic College of Proctology (collectively "Co-Sponsors") is entirely voluntary and comes with inherent risks. In consideration of the right to attend the Meeting, Attendee assumes all risks and accepts sole responsibility for any injury (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that attendee may experience or incur in connection with attending the Meeting. Attendee has carefully considered the risk involved and hereby releases, covenants not to sue, discharges, and holds harmless the Co-Sponsors and their respective officers, directors, employees, agents, and representatives, of and from any such claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind (including reasonable attorney's fees) arising out of or relating thereto.

Specifically relating to the global COVID-19 pandemic, Attendee acknowledges the highly contagious nature of COVID-19 and voluntarily assumes the risk of exposure or infection by attending the Meeting and understands that such exposure or infection may result in personal injury, illness, disability, and/or death to Attendee. Attendee understands that the risk of becoming exposed to or infected by COVID-19 at the Meeting may result from the actions, omissions, or negligence of others who may attend the Meeting or their families, guests, colleagues, or others with whom they may have contact. Accordingly, attendee understands and agrees that this release includes any claims based on the actions, omissions, or negligence of Co-Sponsors and their respective officers, directors, employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in the Meeting.

In addition to all other Co-Sponsor rules and regulations relating to the Meeting attendance, Attendee agrees to comply with all COVID-related procedures that

may be required by the venue facility. Attendee also agrees not to attend the Event if any COVID-related symptoms are experienced within ten days of the start of the meeting or if the Attendee may have been exposed to someone who has been diagnosed with COVID-19 or is experiencing COVID-19 symptoms.

By completion and submission of the meeting registration form, I certify that I have read and fully understand this Liability Waiver and Assumption of Risk agreement and understand that it affects my legal rights. I agree and acknowledge that this waiver and release (1) shall be binding on me, my guests, my heirs, family, estate, representatives, and assigns and (2) is intended to be as broad as permitted under applicable law, and each waiver or provision herein is severable and shall apply notwithstanding the invalidation of any other provision herein.

## CODE OF CONDUCT POLICY

The American College of Osteopathic Surgeons (ACOS) is committed to providing its employees, directors and officers, volunteers, members, independent contractors, event participants and event faculty (collectively, "covered persons") with settings that are free from harassment in any form.

Prohibited conduct includes, but is not limited to: 1) harassment based on race, gender, sexual orientation, disability, or any other protected status, as provided by local, state, or federal law; 2) sexual harassment including unwelcome attention, stalking and physical contact; 3) abusive conduct that has the purpose or effect of unreasonably interfering with another person's ability to enjoy or participate in the Conference, including social events related to the Conference; and 4) undue interruption of any Conference event, speaker or session.

Harassment takes many forms and may be, but is not limited to: words, signs, jokes, pranks, intimidation, physical contact, unwelcome sexual advances, requests for sexual favors, stalking, other verbal or physical contact of a sexual, aggressive, or hostile nature, vulgar or abusive language, or violence as it relates to race, national origin, religion, age, disability, gender, sexual orientation or any other classification protected by local, state or federal laws.

ACOS will not tolerate harassment of or by these individuals. Any conduct by a covered person towards another covered person that is intimidating, hostile, offensive and/ or specifically prohibited by law is prohibited. Any covered person engaging in such conduct will be subject to disciplinary action, which may include termination of ACOS employment or as a contractor, member referral to the ACOS Ethics Committee, immediate expulsion from ACOS-sponsored events, removal as a director, officer, volunteer or faculty member, or other actions as may be deemed appropriate.

The covered person(s) who believe that they have been the subject of any form of harassment should immediately report such conduct to the ACOS CEO, any member of the ACOS Executive Committee, or the chair of the ACOS-sponsored event at which the harassment allegedly occurred. Complaints alleging a violation of this policy by the ACOS CEO shall be made to the ACOS President.

Any covered person submitting a complaint must be acting in good faith and

have reasonable grounds for believing the information disclosed indicates a violation of this policy. Any allegations that prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

To instigate an investigation, a written statement of the incident(s) will be requested. ACOS will promptly investigate all reports of harassment and will keep the identity of the covered person(s) making the report and all aspects of the report and investigation confidential to the greatest extent possible. ACOS will take appropriate action(s) to remedy substantiated complaints.

ACOS will not condone any form of retaliation against any covered person who in good faith reports an alleged violation of this policy. A covered person who retaliates against someone who submits a complaint is subject to discipline, up to and including termination of ACOS employment/engagement, loss of position, and/or revocation of ACOS membership.

### OSTEOPATHIC PLEDGE OF COMMITMENT

As members of the osteopathic medical profession, in an effort to instill loyalty and strengthen the profession, we recall the tenets on which this profession is founded: The dynamic interaction of mind, body and spirit; the body's ability to heal itself; the primary role of the musculoskeletal system; and preventive medicine as the key to maintain health. We recognize the work our predecessors have accomplished in building the profession, and we commit ourselves to continuing that work.

#### I PLEDGE TO:

- Provide compassionate, quality care to my patients;
- Partner with them to promote health;
- Display integrity and professionalism throughout my career;
- Advance the philosophy, practice, and science of osteopathic medicine;
- Continue lifelong learning;
- Support my profession with loyalty in action, word, and deed; and
- Live each day as an example of what an osteopathic physician should be.

## KEYNOTE ADDRESS

### GLAMORIZING MEDICAL EDUCATION

#### Sampson Davis, MD

Thursday, September 21 | 9:00 AM - 10:30 AM  
Chicago Ballroom D-H, 5th Floor

Dr. Sampson Davis was raised as the fifth of six children in Newark, one of New Jersey's poorest cities. As a child Dr. Davis grew-up in cramped living quarters, surrounded by fragmented families, crime, and drugs. Still, he was a good student, able to strike the fragile balance between being smart yet socially acceptable on the streets. It was this combination of skills, Dr. Davis says, that were most critical to his survival. While attending University High School in Newark, Dr. Davis met Dr. Rameck Hunt and Dr. George Jenkins, two fellow students who together made a promise to become doctors. Dr. Davis and his two childhood friends each successfully fulfilled their pact and today Dr. Davis is a board certified Emergency Medicine Physician.

Dr. Davis has appeared on numerous talk and radio shows including Oprah, The Today Show, Dr. Oz, Anderson Cooper 360, The View, Tavis Smiley and NPR as well as print publications including but not limited to Readers Digest, O Magazine, People, Washington Post, NY Times, USA Today, Parade and Black Enterprise.

Ms. Winfrey also delivered the highest honor naming Dr. Davis, "The Premiere Role Models of the World".

Dr. Davis was honored in 2000 with the Essence Lifetime Achievement Award and also named one of their forty most inspirational African Americans in the country. He is the youngest physician to receive the National Medical Association's highest honor, The Scroll of Merit, and was previously honored on 2009 BET Awards.

Dr. Davis is also author of *Living & Dying in Brick City--An E.R. Doctor Returns Home* which discusses Dr. Davis' riveting experiences as an ER physician. The book will also offer preventative guidance as a means of supporting healthier communities.

In 2018 Dr. Davis co-authored "the Stuff" with Sharlee Jeter. Everyone has the strength to overcome any obstacle. This inner fortitude is what we refer to as the STUFF. *The STUFF* will help you discover the hidden strengths within yourself. This message burns brightly within *the STUFF* founders Dr. Sampson Davis and Sharlee Jeter. They've long been fascinated by individuals who thrive in spite of life's harshest trials and for good reason: they've lived it.

Today Dr. Davis spends his time practicing medicine and traveling the country delivering keynote speeches with timely messages. Dr. Davis believes it is important to give education a sense of style and fashion. To glorify and glamorize education is the key. A face must be present, a concrete image that all individuals across America can draw inspiration from. Dr. Davis considers his 3 D's, Dedication, Determination and Discipline, as the necessary ingredients to success.

Graduating with honors, Dr. Davis received his bachelor's degree from Seton Hall University, his medical degree from Robert Wood Johnson Medical School and completed his residency in Emergency Medicine at the same hospital where he was born, Newark Beth Israel Medical Center.

Today, Dr. Davis is a Board-Certified Emergency Medicine Physician at several emergency departments in New Jersey. He has been a weekly correspondent on the Tom Joyner Morning Radio Show and CNN where he highlighted prevalent and life-changing medical topics. Dr. Davis has also co-authored three New York Times best-selling books entitled *The Pact*, *We Beat the Street* and *The Bond*.

In 2000 during his residency, Dr. Davis along with his best friends felt the burning need to give back to communities in need, and together created *The Three Doctors Foundation*. This non-profit organization offers a series of free public programs focused upon health, education, leadership and mentoring.

## THEODORE F. CLASSEN MEMORIAL LECTURE SPIRITUALITY AND HEALTH: CLINICAL AND RESEARCH IMPLICATIONS

**Andrew Newberg, MD**

Thursday, September 21 | 10:30 AM - 11:30 AM  
Chicago Ballroom D-H, 5th Floor

Andrew B. Newberg, M.D. is currently the Research Director at the Marcus Institute of Integrative Health at Thomas Jefferson University and Hospital in Philadelphia. He is a Professor in the Department of Integrative Medicine and Nutritional Sciences, with a secondary appointment in the Department of Radiology at Thomas Jefferson University. He is Board Certified in Internal Medicine and Nuclear Medicine. He has actively pursued a number of neuroimaging research projects which have included the study of aging and dementia, epilepsy, and other neurological and psychiatric disorders. Dr. Newberg has been particularly involved in the study of mystical and religious experiences, a field referred to as "neurotheology". He has also studied the more general mind/body relationship in both the clinical and research aspects of his career including understanding the physiological correlates of acupuncture therapy, meditation, and other types of alternative therapies. He has published over 250 peer reviewed articles and chapters on brain function, brain imaging, and the study of religious and mystical experiences. He has published 14 books which have been translated into 17 different languages. He was listed as one of the 30 Most Influential Neuroscientists Alive Today by the Online Psychology Degree Guide.

Albert H Yurvati DO, PhD, DFACOS, FACOS, FICS, FAHA, is an emeritus professor at the University of North Texas Health Science Center Texas College of Osteopathic Medicine. He grew up in Allentown, Pennsylvania, and left for the US Army, where he met his soulmate Sharon.

After medical school he completed two residencies, and was an academic cardiothoracic surgeon of national and international renown. When Sharon suffered an acute thrombotic stroke, he transitioned to become a caregiver. In 2020, he was diagnosed with multiple myeloma, an incurable cancer of the bone marrow, and he transitioned yet again, this time to a patient.

Book 2, *This to me*, is a continuation of the influence the Fates have had on weaving, cutting, and tying the threads of his life. The book resonates with humor, history, and passion. Dr. Yurvati lives in Texas with Sharon and their Scottish fold kittens.

## The iTind™ Procedure

### Reshaping your BPH Practice

iTind treatment is an outpatient procedure that involves a non-permanent device that reshapes the prostate over one week—without heat, needles or cutting of tissue.<sup>1</sup>

- Temporary implant for 5 to 7 days
- No sexual side effects <sup>1,2</sup>
- Ability to treat high bladder neck <sup>1,2</sup>
- Low post procedure catheterization (5%) <sup>1</sup>
- Long-term durability supported by clinical studies <sup>1,2</sup>

Learn more at <https://www.bphtherapy.com/itind>

Implantation of the iTind device may cause urinary urgency, pelvic discomfort, dysuria or hematuria. In rare cases, the iTind procedure may cause urinary tract infection or acute urinary retention.

# Axonics R20™

## REVOLUTIONIZING

### the Recharge Experience

The **Axonics R20 System** delivers a long-lasting therapy of **20+ years**, and provides patients the freedom to go **6 to 10 months** between recharging.\*

**Visit [www.axonics.com](http://www.axonics.com) to learn more**

\*Recharge interval depends on therapy settings

**Important Safety Information:** Implantation and use of the Axonics Systems incur risks beyond those normally associated with surgery, some of which may necessitate surgical intervention. For more information about safety and potential risks, go to [www.axonics.com/isi](http://www.axonics.com/isi).

**Caution:** Federal law (USA) restricts this device to sale and use by, or on the order of, a physician.
