GOLD

40 comprehensive chapters written by 53 nationally recognized venous experts, organized into sections on:

- Varicose Veins
- Deep Vein Disease
- Blood Clots
- Treatments and Prevention
- Special Vein Conditions

More than 150 color photos and drawings of anatomy, conditions, and treatment techniques.

\$44.95 on Amazon

FREE at Booth 237

Save staff time hunting down coverage or looking for updates

Prevent costly denial of claims & reimbursement

Access up-to-date varicose vein policies for 240+ payors

- Pre-authorization, coverage criteria & restrictions for: Laser Ablation, RFA, Varithena, Venaseal, MOCA, Phlebectomy, Sclerotherapy
- Ultrasound requirements, conservative therapy requirements and duration, documentation for medical necessity
- Vein coverage details: GSV, SSV, Accessory veins, Perforators
- Updated monthly (an average of 19 policies/month!)
- Brought to you by AVLS and the American Venous Forum

CME INFORMATION

TARGET AUDIENCE

The primary target audience of the 2023 UIP World Congress includes physicians, physician assistants, advanced registered nurse practitioners, ultrasound technologists, practice administrators, lymphedema therapists, and all other healthcare professionals currently or planning to care for patients with venous and lymphatic disease. Specialists in phlebology, cardiology, dermatology, dermatologic surgery, family practice, general surgery, internal medicine, interventional cardiology, interventional radiology, obstetrics and gynecology, vascular medicine, and vascular surgery are invited to enhance their knowledge and skill specific to the evaluation and treatment of venous and lymphatic disorders.

OBJECTIVES

1. Evaluate patients with venous and/or lymphatic disease and describe the interconnections of superficial venous, deep venous, and lymphatic disease.
2. Assess the treatment goals that patients want to accomplish and the impact of venous and lymphatic disease on a patient's quality of life.
3. Distinguish between the indications and contraindications of different treatment techniques and technologies.
4. Diagnose and treat lymphedema and phlebolymphedema.
5. Discuss advanced venous and lymphatic disease and treatments, including wound care and ulcer management.

EVALUATIONS & CERTIFICATES

At the conclusion of Congress, you will complete an evaluation, which explores the learning objectives provided by the American Vein & Lymphatic Society (AVLS) through educational activities. The outcomes of the data received will be used to measure the effectiveness of this interprofessional continuing education activity in improving healthcare performance, learner knowledge, strategies/skills, and/or patient care and outcomes. Continuing Medical Education (CME) Certificates for World Congress are available as individual or full activity credit(s), which correspond directly to evaluation activities completed.

ACCREDITATION & CREDIT STATEMENTS

The American Vein & Lymphatic Society (AVLS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American Vein & Lymphatic Society (AVLS) designates this live activity for a maximum of 33 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Vein & Lymphatic Society (AVLS) designates this enduring activity for a maximum of 122.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OTHER CREDITS

NURSES & NURSE PRACTITIONERS

The American Academy of Nurse Practitioners (AANP) and the American Nurses Credentialing Center (ANCC) accept *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME for re-licensure and recertification requirements.

SONOGRAPHERS

The American Registry of Diagnostic Medical Sonographers® (ARDMS®) and Cardiovascular Credentialing International (CCI) accept *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME toward credential renewal for Registered Phlebology Sonographers (RPhS) and Registered Vascular Specialists (RVS).

PHYSICIAN ASSISTANTS

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME for re-licensure and recertification requirements.

DISCLOSURES

Note that relevant faculty financial relationships and commercial support of the UIP 2023 World Congress are disclosed within the conference mobile app and event website. CME credit available per session is subject to change based on financial disclosure mitigation.

UIP 2023 Language Accessible Event

The UIP 2023 World Congress is offering live translation into audio and captions into 25+ languages.

WiFi Information

Network: ClosureFastRFA

Password: Nowin6F

How do I use the Translation Service?

when you enter a room, look for the Translation Symbol on the sign or online schedule:

Step 1

Scan QR Code or Go To:
<https://attend.wordly.ai/join/WFNF-5768>

Step 2

Choose Language
Click Attend

Step 3

Read Captions on Device
Use Headset for Audio

What do I need to participate?

A WiFi-enabled mobile device or laptop with headphones.

What options are available for hearing accessibility?

All languages, including English, will provide a simultaneously written transcription of the session.

VENOUS2024

AMERICAN VENOUS FORUM

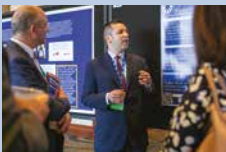

THE SCIENCE OF VEINS: A WORLD WITHOUT BOUNDARIES

March 3-6 • JW Marriott • Tampa, Florida

- Learn from leading experts during four days of venous education
- Attend abstract and poster sessions featuring cutting edge venous & lymphatic research
- Network with peers and venous thought leaders
- Explore the latest venous technologies, tools, and techniques on the exhibit floor
- Celebrate together at the VENOUS2024 Gala

**EARLY BIRD REGISTRATION
ENDS NOVEMBER 30, 2023**

International Group Photo at VENOUS2023
