About ASAM Education

ASAM is the largest provider of addiction medicine education and offers more CME on addiction related topics than any other organization. Since 1977, ASAM has been an ACCME-accredited provider and maintains the highest level of accreditation with commendation. ASAM's online e-Learning Center offers a wide selection of topics, which have been accessed by over 71,000 providers across the country. This competency-based online content has been offered since 2015 and the content and number of users continue to grow.

ASAM Offers Live & Online Addiction Medicine CME/CE

Live & Online CME/CE/MOC

ASAM offers CME/CE/MOC addiction medicine education that focuses on improving the care, treatment, and recovery of people with addiction.

The ASAM e-Learning Center

The online portal for hundreds of hours of ASAM's education offerings. Available on-demand 24/7, includes recorded live events, special competency-based created modules, and webinars.

The ASAM Certification Hub

ASAM offers a comprehensive certification hub providing quality information and resources for preparation and maintenance of certification in addiction medicine.

ACCME Accreditation with Commendation

The American Society of Addiction Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. ASAM has been awarded the highest level of Accreditation with Commendation by ACCME as a provider of CME.

e-Learning Center

ASAM
