Join Addiction Experts to Discuss Real Patient Cases

FREE Weekly interactive CME video conference series March 6, 2020 – June 26, 2020

Connect with addiction medicine experts and other providers from around the nation to talk about real patient cases, challenges, and strategies to overcome barriers for effective addiction treatment.

What: The ASAM Fundamentals of Addiction Medicine ECHO (FAME) 16-week interactive video conference series

Where: From the comfort of your home or office—just connect to Zoom on a computer or mobile device

When: Every Friday, 11:00 am – 1:00 pm ET | 8:00 am – 10:00 am PT

Cost: **FREE!**

A leading national expert will give a brief presentation during each session to provide insight into an aspect of addiction treatment. Learners then discuss patient cases from their own practices and get mentorship and feedback on clinical management from the experts and their peers.

Experts: Miriam S. Komaromy, MD, FACP, DFASAM;
Angela L. Colistra, PhD, LPC, CAADC, CCS, and Shanna Diaz, DO

First come, first served, participation is limited to 25.
