

## Members' Opportunity to Become ASAM Faculty

ASAM is looking for eager and passionate members willing to serve as faculty to offer live and online CME opportunities.

Become a part of ASAM's community of approved national faculty to teach a variety of live ASAM courses across the country.

There is a demand to increase quality addiction education among providers throughout the country. ASAM is leading the movement to transform addiction treatment and improve patient care.

Prospective faculty complete an online application form and submit the required documents to be considered for faculty assignments.

**This is your opportunity to help! Visit ASAM's NEW Faculty Application Portal to Apply:**
