LEARNING IS LARGE IN THE SOLUTION CENTER

THE SOLUTION CENTER FEATURES MORE SCIENTIFIC AND CAREER PROGRAMMING THAN EVER BEFORE!

AAPS is expanding the scientific and career programming on the Solution Center floor to make your PharmSci 360 experience even more beneficial and diverse. Be sure to include time in your schedule to visit and take part in some or all of these unique educational opportunities while building deeper partnerships.

1. RAPID FIRES
   Back by popular demand! From 3:00 pm to 5:00 pm every day, each track will feature a series of quick, informal presentations on almost any topic.

2. TECH CHALLENGES
   Participate in a peer competition for the best presentation of new and innovative technology through an application-based case study. Vote for your favorite! The top technologies will face off before the Solution Center closes Wednesday.

3. SOFTWARE LAB
   Bring your laptop to this hands-on, interactive session as companies demonstrate their latest software technology.

4. PARTNER PRESENTATIONS
   Learn from AAPS’ exhibiting partners as they present case studies and speaker panels in their areas of expertise, and pose your questions about their products and services, face-to-face.

5. CAREER DEVELOPMENT CLASSROOM
   This year’s focus is on strategic leadership, managing your career in a rapidly changing work environment, and working with other organizations, including potential clients and partners.

WHAT IS A RAPID FIRE PRESENTATION?
- Speaker shares their research, passion, failures, or advice
- 10-minute presentation, each with a handful of slides
- 3 minutes for questions

Be sure to visit the CAREER CENTER located in the Solution Center. It offers a friendly, low pressure environment where professionals will provide career advice, company overviews, and job opportunities. Features include:

- Career Fair hosted by company recruiters
- Private interview rooms
- Free LinkedIn profile critique at the LinkedIn Bar
- Résumé Reviews
- Professional Headshot Lounge
