HILTON CHICAGO ROOM RELATIONSHIPS

Get your bearings! This is a lovely historic place, and along with that comes some hidden quirks and potentially confusing floor plans. ACRM has tried to make navigation as easy as possible.

Although every ACRM room is ADA accessible, sometimes the ramps and elevators routes are not obvious. Please look for the ADA signs printed on supplies to help guide you to ACRM room locations.

Note the MAIN ELEVATOR BANK in the corner of this diagram. Some elevators only access certain floors. Whatever is doubt, just go to the lower level that is where most of the ACRM action will happen.

ACRM Administrative Office

HILTON FLOORPLANS

NOTE: All ACRM Community group meetings will be held on the 4th floor.
