Continuing Pharmacy Education Evaluation Instructions

Please ensure that your NABP ePID and DOB are correctly entered into your ASCP Profile BEFORE you complete the evaluation.

If you are new to the ASCP Learning management System you will need to create a Guest learner profile. A video on how to do so can be found at: https://www.ascp.com/page/help

Instructions for attaining continuing pharmacy education (CPE) credit:
You must have participated in the activity in its entirety.
