Join Us for AAAEM Events at SAEM18 in Indianapolis!

The Academy of Administrators in Academic Emergency Medicine (AAAEM) is a professional association for individuals managing the administrative and business functions of an academic department or division of emergency medicine. These academic units typically engage in activities related to patient care, research, and education, including the primary administration of an emergency medicine residency program.

AAAEM is Excited to Feature Two Sessions On Benchmarking Surveys:
Please come join us and learn what this information reveals about our practice from an operations and human resources perspective. Faculty and administrators will be reviewing key findings that will help you with key insights into future planning.

Thursday, May 17 - 8:00 AM -8:50 PM — White River Ballroom C: First Floor

Thursday, May 17 - 10:00 AM - 10:50 PM — White River Ballroom C: First Floor

AAAEM Meeting With Roundtable Analytics

Wednesday May 16
3:00 pm - 3:50 pm — Room 304

AAAEM will meet with Roundtable Analytics to discuss use of the new benchmark data mining tool.
All AAAEM members are welcome.
