"We all face challenges managing our departments and serving our communities. What makes FRI unlike any other fire service conference is the quality and depth of the education, with internationally recognized presenters and a program designed by and for officers of all fire ranks."

Fire Chief Dan Eggleston
IAFC President and Chairman of the Board
Core Education - **New Track Added!**
Hear from fire and EMS experts on essential industry topics – customize your experience with 11 different tracks:

- Administration & Human Relations
- Technology
- Safety, Health & Wellness
- All-Hazards Management
- Emerging Trends & Topics
- Leadership
- Community Risk Reduction
- Operations
- Emergency Medical Services
- FirstNet
- Wicked Problems

**New in 2019!**

**Continuing Education & Certification**
FRI courses meet the continuing education credits for most state requirements. In addition, FRI courses are approved for those seeking senior-level professional designations through CPSE, including:

- Chief Fire Officer (CFO)
- Chief EMS Officer (CEMSO)
- Chief Training Officer (CTO)
- Fire Marshal (FM)

**Specialty Education**

**Bullying Prevention: Train-the-Trainer**
In this personal immersion small group program, you will receive graduate-level knowledge of the workplace bullying phenomenon while discovering ways to help reduce bullying.

**Incident Safety Officer Training Course**
The FDSOA Incident Safety Officer (ISO) course is a two-day academy based on the 3rd Edition of Dave Dodson's Fire Department Incident Safety Officer and the 2015 NFPA Standards 1500, 1521, and 1561.

**Health & Safety Officer Training Course**
The FDSOA Health and Safety Officer (HSO) course is a two-day academy based on the 4th Edition of James Angle’s Occupational Safety and Health in the Emergency Services and the 2015 NFPA Standards 1500, 1521, and 1561.

**National Counterterrorism Center Symposium (NCTC)**
Hear from expert speakers in the local and federal intelligence community. Explore how and why the current threat lens is relevant to you.

**Career Impact Training (CIT)**
Questions about your professional development? Questions about the next promotional process? Gain information on assessment centers, resumes and professional development.

**FSTAR Research Symposium**
Gain insights on fire service-based research in a format that researchers and leaders can apply at a local level to improve fire operations.

**Companion Track**
Designed for spouses, partners, companions and family members of FRI participants.

</table>
FRI Core Education
Discover a sampling of this year's Core Education offerings.

**Administration & Human Relations**
Discover new ideas for accommodating the needs of both internal and external customers.

Inside the Manager’s Mind: Achieving Success by Persuading Policymakers
Bruce Moeller, PhD, Adjunct Professor, University of Florida

IASC Volunteer Resources Showcase
Donna Balck, Fire Chief, Duck (North Carolina) Fire Department; Jenny Brasili Cozad, Program Specialist, International Association of Fire Chiefs

Off-Duty Conduct: I Can Do What I Want, Right?
Alisa Aronoff, Partner, Scalambrino & Aronoff, LLP; John Bukavina, Director, Public Fire Safety Service

**Community Risk Reduction & Code Enforcement**
Explore topics such as community, business and fire department preparedness, fire protection systems design and implementation, public education, and code enforcement.

Community Risk Reduction and Data Analytics Essential for Quality Service
Sheldon Gilbert, CEO, ESC; Thomas Weber, National Director of Community Hazard Mitigation Services, ISO/Verisk Insurance Solutions

Construction Site Fire Safety: Making Sure Everybody Goes Home
Phill Oakes, Director of National Programs, National Association of State Fire Marshals

Virtual Reality Applications of Community Risk Reduction
Michael Sedlacek, Captain, Madison (Alabama) Fire & Rescue; Fred Williams, Lightbulb Education

**Emerging Trends & Topics**
Stay ahead with sessions focusing on current events, unfolding trends, international challenges and solutions, and timely topics of interest.

Cryogenic Liquid Air-Based SCBA with Active Liquid Cooling Garment
Clayton Blalock, CEO, BCS Life Support, LLC; David Bush, Engineer, NASA; Rohan Fernando, Senior Research Engineer, NIOSH

Using Today’s Social Media to Promote Your Department and Educate Your Community
Josh Charles, Engineer/AC, Bozeman (Montana) Fire

Lessons Learned from the Station Design Experience
Steve Koly, Chief, Miami Township (Ohio) Fire & EMS; Nestor Melnyk, Architect, MSA Design; Dino Sparaco, Architect, CR Architect & Design

**All-Hazards Management**
Learn from experienced leaders about contemporary approaches to all-hazards management.

Bad Guys, Benchmarks, and Briefings: An In-Depth Look at Trending Near-Misses
Dane Brown, Subject Matter Expert, National Firefighter Near-Miss Reporting System; C.J. Haberkorn, Subject Matter Expert, National Firefighter Near-Miss Reporting System

It’s a Disaster: Management and Recovery from Large-Scale Incidents
Dave Dorohou, President, MAESC

Fighting in the Gray Areas: Where Red Meets Blue on Active Shooter Incidents
David Green, EFO, CFO, MIFireE, PhD, Deputy Chief, Colleton County (South Carolina) Fire-Rescue

**Emergency Medical Services**
Choose from topics of general interest to emerging advancements in field managing, leading and administration of EMS agencies.

Advocacy for Fire-Based EMS Agencies
Evan Davis, Government Relations Strategic Manager, International Association of Fire Chiefs

Automated Drug-Dispensing Systems
Clayton Koos, Medical Director, Los Angeles County (California) Fire Department

International Crisis: Our Addictable Brain
Frank Maitz, Founder/President, HEALS/HEALTHSART, Foundation; Jim Spellman, Co-Founder, Shine a Light on Heroin (SALOH)

**Leadership**
Develop your interpersonal skills and organizational strategies and develop a contagious, positive culture in your organization.

Women in Leadership: Inspiring Through the Use of Social Media
Deryn Rizzi, Chief, Vaughan (Canada) Fire Department

Moving Forward at the National Fire Academy: The Future is Now
Toniya Hoover, Superintendent, National Fire Academy

Fundamentals of Leadership in a Rapidly Evolving World
Douglas Kuezman, Captain (Ret.), U.S. Navy, Director, All American Leadership

**Operations**
Learn about new operational approaches, operational tips, best practices, and the use of cutting-edge technology.

Mega-Mansions and Large Area Residential Fire Challenges
Christopher Naum, SFPE, CUSA, Chief of Training, Command Institute

Battlefield Firefighting
Chase Sargent, EFO, MPA-C, Division Chief (Ret.), Virginia Beach (Virginia) Fire and Rescue Department

Building an Aggressive Volunteer Culture Through Training
David Wolf, PhD, Fire Chief, Estes Valley (Colorado) Fire Protection District

**Safety, Health, & Wellness**
Crafting and promoting a culture of wellness in our profession cannot be overemphasized. Gain the skills and resources necessary to help tackle these intricacies.

Carcinogen Reduction & Cancer Prevention
Steven Weissman, Chief Safety Officer, Virginia Department of Fire Programs

Cultural Change and Fireground Safety: An International View from Germany
Susanne Klat, EFO, Division Chief, Feuerwehr Essen (Germany)

Strength Over Stigma: A New Approach to Firefighter Mental Health
Joe Zatylny, Deputy Chief, Calgary (Canada) Fire Department
FRI Core Education

Technology

Focus on technological developments and adaptation in fire and emergency services among different stakeholders, including chief and company officers, public safety organizations, and product manufacturers.

Drone Considerations Before Lift-Off
Chris Bachman, CFO, Assistant Chief, Contra Costa (California) Fire Department; Craig Voight, Division Chief of Special Operations, Fire Township (Indiana) Fire Department

Using Drones and Augmented Reality in the Fight Against Wildfires
Bert Van Der Zaq, Future Experiences Designer, Motorola Solutions

NFIRS Ops: Making Your Fire Data Talk in Excel
Kevin Lundy, Special Projects/MS USAR Task Force, Mississippi Office of Homeland Security; Sara Wood, NFIRS Program Manager, Office of Kansas State Fire Marshal

FirstNet

Communications technology is shifting the public safety market from large, fixed infrastructure projects to a mobile first approach. This track focused on FirstNet, offers attendees relevant and useful information for their organizations and communities.

The Smart-Connected Ambulance: Seamless Integration from the Field to the ER
Victoria Lee, Vice President, The Public Safety Network, LLC

FirstNet Emergency Response Operations
Fred Scalera, Director of FirstNet Strategy & Policy, FirstNet Built with AT&T

How Mission-Critical Push-to-Talk with FirstNet Can Enhance System Performance
Steve Devine, Director of FirstNet Strategy & Policy, FirstNet Built with AT&T

Wicked Problems

Be a part of the dialogue regarding significant situations that challenge your day-to-day working environment. Collaborate with fellow leaders as you discover solutions to address those wicked problems!

After the Fire: Cancer-Reduction Practices
Vincent Bettinazzi, Captain, Myrtle Beach (South Carolina) Fire Department; Adam Oleksikowicz, Lieutenant, Myrtle Beach (South Carolina) Fire Department

Succession Planning: A Real-World Scenario of Success
Jim White, EFO, CFO, MiFireE, Director, Valencia College School of Public Safety

Transformational Growth and the Fire Service
Reggie Freeman, Chief, Hartford (Connecticut) Fire Department; David Mathew, Subject Matter Expert, Department of Homeland Security; Salvatore Scarpa, Deputy Chief, Shawnee (Kansas) Fire Department

2PM. 2AM. Doesn't matter. When you're a Pierce Dealer, you commit to the same work ethic as firefighters.

Robby Fore, Spartan Fire & Emergency Apparatus
Pierce Dealer - 28 years

Service is personal.

Learn more about the Pierce Dealer Network at piercemfg.com
General Session

Chief Chats
Experience an innovative learning format as speakers tackle the difficult challenges you face through fast-paced and engaging presentations. Discover best practices and new ways to challenge yourself and your department.

Making Positive Change During America’s Heroin Epidemic
Jan Rader, Chief, Huntington (West Virginia) Fire Department

The Workforce and Marketplace of the Future
Kim Lear, Founder and Content Director, Inlay Insights

Presentation of the IAFC Ben Franklin Award for Valor
Presentation of the Fire Chief of the Year Awards
Installation of the 2019-2020 IAFC Officers

SMART FIRE AND EMS RESPONSE IN THE MOMENTS THAT MATTER

When every second counts, share information seamlessly within your agency and across multiple response teams regardless of device or network. Motorola Solutions empowers fire and EMS services to better serve and protect with reliable communications and actionable real-time intelligence.

VISIT US IN BOOTH #1805 AT FRI 2019
MotorolaSolutions.com/Fire
FRI First Timers’ Meetup
Tuesday, August 6 | 6 - 7 PM
Welcome to FRI! Learn how to make the most of your time and start expanding your network in this informal meet-up with IAFC leadership, members, staff, and the program planning committee.

International Reception
Tuesday, August 6 | 7 - 8 PM
With an ever-growing international presence, connect and exchange cultural ideas with others.

Welcome Reception
Wednesday, August 7 | 6:30 - 8:30 PM
We are going to kick things off with a FRI Tailgate Party at the College Football Hall of Fame. Come dressed in your favorite college jersey and network with friends old and new. Open to all conference registrants.

IAFC Business Meeting
Thursday, August 8 | 11AM - Noon
Stay after the general session to connect with fellow IAFC members. Learn about emerging issues and make your voice be heard!

Division Lunches
Thursday, August 8 | Noon - 1:30 PM
IAFC members, meet with colleagues to discuss and problem-solve issues unique to your region. Find out about upcoming events in your division and learn new ways to get involved.

Diversity Breakfast
Friday, August 9 | 7 - 8:30 AM
Engage with other leaders interested in fostering diversity and inclusiveness in their departments and throughout the fire and emergency service. Together, attendees bring unique perspectives as they work toward shared goals that will move us forward with a united mission. This is not included in the All-Access package and does require an additional ticket.

Friday Night Lights Reception
Friday, August 9 | 6 - 7:30 PM
Close out the week by connecting and reconnecting with fellow attendees in a laid-back setting. Tickets are included with the All-Access package. All other registration types may purchase a ticket separately.

Presidential Celebration
Saturday, August 10 | 1 - 3 PM
The Presidential Celebration is a special time to honor the great work of the outgoing IAFC President, Chief Dan Eggleston. Dress code for this celebration is business casual. Tickets are included with the All-Access package. All other registration types may purchase a ticket separately.
500+ Exhibitors
Discover and connect with hundreds of companies with varied resources and solutions to address your top challenges and improve efficiency in your department.

Health and Wellness Pavilion
Life Scan
We tackle the big issues: cancer, cardiovascular disease and behavioral health. Life Scan provides onsite NFPA 1582 firefighter physicals with early detection of cancer and other catastrophic diseases to over 30,000 firefighters annually.

IAFC Solutions Center
Learn about programs and services designed to build your leadership skills, help you improve the performance of your department, and better serve your community. Meet IAFC staff and subject matter experts who are here to serve you. Build relationships with fellow members while exploring solutions to your biggest challenges.

Solution Zone
Fast-paced, information-packed sessions on IAFC programs, technologies and resources.
