Hosted by ComEd and Franklin Energy and in partnership with the U.S. Department of Energy (DOE) Weatherization Assistance Program (WAP), the Home Performance Coalition (HPC) presents the **2019 HPC National Home Performance Conference and Trade Show** coming to Chicago, Illinois on April 1-4, 2019. This premier event brings together residential energy efficiency professionals from across the nation to come together to learn, collaborate, and relax. Get ready to be inspired by fascinating educational sessions from industry experts, top-notch trade show exhibits, and networking with your peers and industry leaders for four days of home performance educational excellence!

**Home Performance Coalition (HPC)**
HPC collaborates with like-minded organizations to ensure all homes are healthy, comfortable, and energy-efficient. Through programs, policy initiatives, publications, online communities, and regional and national conferences, HPC brings together industry leaders to exchange ideas, solve problems, and build momentum for the rapidly-growing residential energy efficiency industry. Participating Exhibitors *(as of March 6, 2019)*

- AirCycler
- AM Conservation Group, Inc.
- Ameren Illinois Savings
- Applied Energy Products and Sales Inc.
- Bits Limited
- Broan
- Build Equinox
- Building Performance Institute (BPI)
- Cellulose Installation Manufacturer
- CleanFiber
- ComEd
- Delta Electronic America
- Dettson Industries
- Dr. Energy Saver, Inc.
- Energy Circle
- Energy Federation Inc. (EFI)
- Embertec USA, LLC
- EnergyScore, Inc.
- Evolve Technologies LLC
- foobot (Airboxlab)
- Franklin Energy
- Heat Smart
- Habitat X
- Home Energy Magazine
- Home Energy Pros Forum
- HUD Office of Lead Hazard Control & Healthy Homes
- I.D. Energy
- Illinois Home Performance - Midwest Energy Efficiency Alliance
- Insulation Materials, LLC
- Inspector Tools
- KSV
- Larson Manufacturing Company, Inc.
- LIFEBREATH
- Mitsubishi Electric Trane HVAC
- Nu-Wool Co. Inc.
- OptiMiser LLC
- Panasonic Eco Solutions
- Project Energy Savers
- RenewAire LLC
- Residential Energy Dynamics (RED)
- Retrotec
- Rockwool
- Service Partners
- Slipstream
- Snugg Home
- Tamarack Technologies
- Tennessee Valley Authority (TVA)
- The Energy Conservatory (TEC)
- Thermostat Recycling Corporation (TRC)
- TruTech Tools
- US Department of Energy-WAP
- US EPA Indoor airPLUS
- VENTS-US
- ZAI – Trust for Zonolite Attic Insulation
Chicago is our kind of town. We take our national conferences to places we think you will enjoy. Places with vibrant dining, art, and music scenes. Places steeped in history. Places with eclectic communities. Places with lots of green space. Places with architecture and design that you will want to explore. Chicago checks all the boxes, so it is indeed, our kind of town!

Returning for the first time since we went back-to-back in 1996 and 1997, we hope you take some time during your conference experience to explore this world-class city. With more than 5,000 restaurants, 250 theatres, 200 music venues, 125 art galleries, and 50 museums- your options are unlimited!

In Chicago, you are not confined to exploring the indoors either. With over 100 vibrant neighborhoods, you could spend days immersing yourself in the communities that make up the Windy City. The city also has 8,100 acres of green space, with 580 parks, and 26 beaches. Those beaches stretch along 26 miles of the lakefront, which includes an 18.5 mile lakefront path. The city is also bike-friendly, with over 225 miles of bike lanes, and more than 13,000 bike racks. Don’t want to BYOB (Bring Your Own Bike)? There are over 3,000 bikes and 300 stations available through the Divvy bike sharing system. So, get out there and enjoy Chicago!

So, whether you find time to explore the outdoors; catch music at Buddy Guy’s, The Vic, or Kingston Mines; see some of the world’s most famous works of art at The Art Institute of Chicago or explore nature’s wonders at the Field Museum of Natural History; have a meal of lifetime at Grant Achatz’s Alinea or Stephanie Izard’s Girl and the Goat or just enjoy the simple pleasure of a Chicago hotdog…Chicago has something for everyone!

**For questions,** please contact Lois Miller at ldmeetings@outlook.com.
**Frequently Asked Questions**

**Will I receive a Home Performance Coalition certificate of completion for attending this conference?** You will receive a certificate of completion if you attend a minimum of nine sessions. Please ensure that your badge is scanned at each session to track your attendance. This is the only way to verify that you attended and to ensure credit.

**How will I receive CEU credits for attending this conference?** When you register for the conference, you will be prompted on the registration form to indicate if you want to receive CEUs and, if yes, which of the approved CEUs you want. Some of the CEUs listed will require your membership identification number. This information must be provided prior to attending sessions at the conference. The bar code on your name badge, provided by HPC onsite, will be scanned before you leave each session. After the conference, this information will be transmitted to the CEU accrediting bodies that you indicated on your registration form.

**How will I know which CEUs are offered for each session?** CEUs for each session will be listed on the Home Performance Coalition’s website prior to the conference, on the conference app, and on the Day-at-a-Glance, a daily informational flyer which will be distributed each morning at the conference.

**Can I attend the exhibitor trade show?** Yes, the trade show is part of the conference. You must have a conference badge to enter the trade show area.

**Are meals included during the conference?** HPC provides breakfast Tuesday – Thursday and lunch on Tuesday and Wednesday as part of your registration. Appetizers and a cash bar are available during both the Welcome and Sponsored Receptions Tuesday and Wednesday evening.

**Can I share a conference badge with someone else and rotate our attendance?** No. Each attendee must purchase an individual conference registration. One-day passes are available in addition to the full conference registration if you cannot attend both days.

**Can I cancel a registration?** No refunds will be issued as of Saturday, March 2, 2019. Requests for refunds that are received by HPC in writing through 11:59 p.m. EST on Friday, March 1, 2019, will be granted, minus a $100 cancellation fee for attendees and a $625 cancellation fee for exhibitor booths. Payment by check is due Friday, March 15, 2019.

**Can I transfer a registration to another person if I am no longer able to attend?** Yes. There is no fee to transfer a registration. You can return to the event registration website by going to the “Register Now” link and select “Update an Existing Registration”. You may also contact the HPC Customer Service line at (412) 424-0040.

**Continuing Education Credits (CEUs)**

This conference offers over 125 sessions/workshops, of which you can potentially earn 21.5 CEUs!

HPC is a continuing education service provider, and many sessions offer credits for advancing attendees’ professional careers through educational opportunities from allied organizations. Visit the [CEU Information](#) page of our website for the most up-to-date listing of CEU providers offered at HPC conferences.
Grow your business by exhibiting. At HPC conferences, attendees are ready to learn, ask questions, and make purchasing decisions. The trade show floor is the hub for demonstrating new products and techniques, providing immediate and future sales, as well as product research and test marketing. Click here to see the most up to date exhibitor floor plan and choose your spot for this conference and trade show today.

Brand your business to a national audience. You’re joining us to attract more business. The more leads you get the better opportunities you have to convert them into sales. It’s time to put on your savvy marketer hat and distinguish yourself from your competitors.

Volunteers play an important role at Home Performance Coalition conferences by assisting presenters and attendees as session assistants. As a session assistant, you are required to attend all sessions in an assigned conference track during the course of the conference. In exchange for volunteering, you will receive free registration for the conference with many more benefits.

We know how important it is to have promotional support and we are happy you can help us get the word out. Click the link below for some exciting promotional materials you are welcome to share as you encourage others to attend this conference and trade show. Thank you for your continued support in helping to bring the Home Performance Coalition to a national audience.

Learn more about your HPC Conference action opportunities and benefits by contacting your helpful HPC Staff.
