Physician Opportunities
Department of Emergency Medicine

Mayo Clinic in Jacksonville, Florida and Rochester, Minnesota are seeking residency trained, ABEM/ABOEM board certified/eligible physicians with a research focus to join our practice.

DIRECTOR OF RESEARCH - Jacksonville, FL
• Developing and implementing a strategic vision for research in Emergency Medicine that leverages the robust and integrated, national research infrastructure at Mayo Clinic.
• Ability to join a faculty with commitment to excellence in practice, education and research in a nearly 30,000 visit/year high acuity Emergency Department.
• Ability to contribute to the educational mission of Mayo Clinic working closely with learners inside and outside of Emergency Medicine (e.g. medical students, nursing students, residents from multiple specialties).
• A world-class multidisciplinary simulation center.

EMERGENCY MEDICINE PHYSICIAN; Research Focus - Rochester, MN
• Clinical practice in a busy, high acuity academic ED and Level I Adult and Pediatric Trauma Center
• A newly expanded and renovated state of the art ED and Pediatric ED
• A world-class multidisciplinary simulation center
• Collaboration with system engineers and analysts, programmers and designers from the Center for the Science of Healthcare Delivery, to study and optimize ED Operations
• Numerous opportunities for collaborative research, with administrative support and intramural funding available and teaching within the Mayo Graduate School
• Accomplished colleagues with an unwavering commitment to high value patient care, education, and research.

MAYO CLINIC has been recognized as the best hospital in the nation for 2017-2018 by U.S. News and World Report. Our multi-disciplinary group practice focuses on providing high quality, compassionate medical care. We are the largest integrated, not-for-profit medical group practice in the world with approximately 3,800 physicians and scientists across all locations. Mayo offers a highly competitive compensation package, which includes exceptional benefits.
